RE: Correction to Listing of Candidates for the 2024 Executive Elections

Attached is a revised listing of the Candidates for the 2024 FSIN Executive Elections.

I want to confirm that there is no change to the names of the Candidates.

However, an error was made in listing Milton Gamble as a Candidate for Third Vice-Chief. Milton Gamble should have been correctly listed as a Candidate for First Vice-Chief.

The name of Candidate Janvier, George Tobie has been changed to Janvier, Willis George Tobie.

I have spoken to the candidates and apologized for my error.
